

ACRE Scholarship Fund

Dear ACRE Member & Applicant:

Thank you for your interest in applying for the ACRE scholarship.

The mission of the fund is to provide limited financial aid to ACRE members for the tuition of their first year undergraduate son or daughter.

Eligibility

The ACRE scholarship fund is designed to give everyone an equal opportunity and is not a competition. Each submission is evaluated solely on:

- * The parent being a member of ACRE in good standing.
- *The applicant will be attending the first year of undergraduate or technical school. College attendance must begin the fall semester after graduating high school in June.
- * Proof of Guardianship by ACRE member.
- * A copy of enrollment statement from college of choice, including student identification number (scholarship mailed to admissions office of institution).

Selection/Awards

The number of awards will be determined by the amount of money in the fund. On behalf of the applicant, a check will be made out to the school the student is attending.

Each qualified applicant will receive no more than \$500 towards their college tuition. If there are insufficient funds for each applicant to receive the maximum benefit, the amount of money in the fund will be divided equally between the applicants.

Deadline

* Applications must be received no later than June 1, 2012.

* ACRE will not confirm receiving an application and is not responsible for applications lost through the mail. It is recommended that you hand deliver or call to verify your application was received.

If at any time during the application process you have any questions, please do not hesitate to call our office.

Thank you,

Anthony Aprea
ACRE Legislative Representative
